## Charges For Those Responsible for the Death of Breonna Taylor

Dear **Public Servant**,

My name is \_\_\_\_\_ and I live in \_\_\_\_\_.

I am writing to you today to implore you in your position as a political figure in Kentucky to charge the police responsible for the untimely death of **Breonna Taylor**. She was murdered on March 13th in the “safety” of her own home. Three officers in plainclothes entered her apartment using a no-knock warrant, which has been outlawed. This is not just a worst-case scenario. This happened. She was shot at LEAST eight times. How can you mistakenly walk into the wrong apartment, searching for someone who had been arrested earlier in the day, and then shoot an unarmed woman eight times in her bed while she sleeps? That is criminal negligence at least.

**Breonna Taylor** was an EMT with family and other loved ones. She was an essential worker during a pandemic. She had dreams. She was 26. ***Your office, your position, has both the power and the responsibility to bring justice to Breonna Taylor, and demonstrate the value of a Black woman’s life. I urge you to use that power. Take swift and decisive action in charging the officers ( Brett Hankison, Jon Mattingly and Myles Cosgrove). The upcoming months can not look like the last three\*.***

Thank you,
